WHO WE ARE

The Nexkem Group, actually started with Nexkem Pharmaceuticals Pvt. Ltd. (an ISO 9001 : 2015 & GMP certified company) and has its headquarter based at Zirakpur, Punjab. We are a recognized and established pharmaceutical group with 6 pharma companies, primarily engaged in marketing finished products, all over the Indian sub-continent. Along with these companies, we also are engaged in **Third Party Manufacturing, a WHO-GMP-GLP Certified unit based at Roorkee-Haridwar, Uttarakhand.**

Our sole obsession is to market quality drug therapies, thus raising the "quality of life & spreading health" all around. Inspired by the passion for having focus on 'Quality Services', Nexkem Group offers a range of health & wellness products free from impurities and full of nutrients. We are engaged in marketing premium health and wellness products at affordable prices, in compliance to International quality standards. Formulations form the core of Nexkem's business. We market several pharmaceutical products that address the therapeutic areas like internal medicine, gastroenterology, cardiology, diabetology, neurology, urology, gynaecology, dermatology etc.

nexkemTM

GROUP OF COMPANIES

(ISO-9001:2015; GMP-GLP Certified)

The Vision

Working closely with the medical profession, the Nexkem Pharma contributes to the health of individuals and to the progress of medicine by adhering to our mission of creating superior pharmaceutical products and offering top-quality services.

The Mission

Our mission lies in our passionate belief that good health should be accessible to everyone, and everyone should enjoy a quality life. As members of Nexkem Pharma we will carry out our purpose to Nexkem mission and contribute to society by consciously putting into practice the benefits and principles.

MANUFACTURING FACILITY

WHO-GMP-GLP CERTIFIED MANUFACTURING UNIT

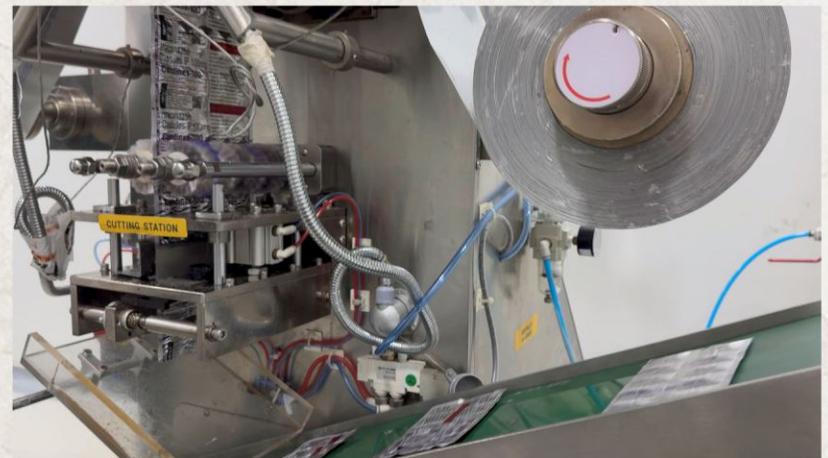

- The manufacturing unit has state-of-the-art manufacturing facilities and the products are manufactured with cGMP-GLP certified and internationally accredited production facilities, as recommended by WHO.
- Our total commitment to quality and the Quality Policy lays emphasis on continuous improvement, meeting customer expectations and all time regulatory compliance.
- As responsible corporate citizens, we have taken several steps to integrate its quality and business objectives. The well equipped quality assurance department safeguards the corporate philosophy and commitment to quality at every stage of procurement, manufacture, packaging & distribution conforming inter-national quality standards.
